June 2009

Dear Alumni, Trinity Families and Friends of Catholic Education,

Don't we all agree that the future success and happiness of all of our children would become even more challenging for them without the faith and values learned on a daily basis in our Catholic Schools? That is why Trinity Academy exists and serves such a vital role, one in which the young lives of all of the children we serve in northern Schuylkill County can be enriched with a Christ-centered, high quality education.

Our school's 2008-09 Annual Appeal has progressed very nicely, and I especially thank our Principal Sr. Mary Ann Spaetti, IHM, and our Catholic School Alum Chairperson Jim Dixon for their leadership in our mission. I know that the two of them have been instrumental in assisting my efforts to approach various potential donors about helping Trinity Academy to increase our scholarship programs and to also enhance our educational programs. We have always emphasized together how incredible the financial sacrifices have been by our families to keep up with tuition payments and also to participate in fundraising programs during difficult economic times. *Our donors have listened to our requests for assistance, and they have responded very generously; with Total Gifts thus far exceeding \$20,000.00.*

Now, as we enter the final stages of our Second Annual Appeal, I prayerfully ask all of you to consider joining our donor ranks in support of our important efforts. *Our school's goal is to enroll as many Coal-Region Proud Catholic School caring benefactors as possible, so that we can provide more financial aid opportunities to local families interested in becoming part of our Trinity Community "Where Faith and Family Meet!"*

Remember, it is not the size of your Gift that matters, but simply the fact that you are willing to proudly participate in a campaign that vigorously supports all of the good people who love Catholic Education. I can assure you that every Gift will go a long way in strengthening their belief in Trinity Academy!

May God bless you and your family abundantly,

*Michael J. Nieddu*

Mr. Michael J. Nieddu  
 Director of Development
