Dear Parents,

State Law (ACT 195) authorizes the loan of textbooks by the Secretary of Education to children enrolled in non-public schools. ACT 90 authorizes the loan of instructional materials. Our school is now in the process of requesting the specific textbooks and materials to be loaned to your child. The law requires, however, that a parent/guardian of each child attending the non-public school individually request loan of textbooks and instructional materials. Below is the individual request form. Please complete the form, sign and date it and return it to school with your registration papers.

Thank you for your assistance and cooperation.
