## 2016-2017 Re-Enrollment

Trinity Academy has two enrollment periods-a Priority Enrollment Period open to current students and their siblings, followed by an Open Enrollment Period which is open to all applicants.

**Priority Enrollment Period**-The Priority Enrollment period is open exclusively to current students and their siblings. It affords current school families the opportunity to re-enroll their children prior to the Open Enrollment period in order to secure their spot for next year. The Priority Enrollment period begins October 26, 2015 and extends until December 23, 2015.

**Note:** Prospective families can submit their application during this period; however their applications will only be processed once the Priority Enrollment Period is closed.

### **Re-Enrollment Fees:**

Re-enroll by November 4, 2015, Father Ciszek's birthday, and the fee per a family is **\$35**. From November 5 until December 23, 2015, the fee will be \$50. After December 23, 2015, the fee will be \$75.

**Open Enrollment Period**-The Open Enrollment period is open to everyone-both new and current families. All re-enrollments and new applications will be processed in the order they are received. The Open Enrollment period begins December 24, 2015 and extends through the beginning of the upcoming school year.

Should any applicants (new or current) apply for enrollment in a class that has already been filled for the next year, they will automatically be placed on a wait list and notified if an opening becomes available.

### **Note for All Existing Families**

Enrollment is contingent on all financial obligations being met. Failure to satisfy financial obligations for the current school year may result in the space(s) being reserved for your child(ren) being given to a child(ren) on a waiting list.
