

SCHOOL YEAR: 2017-2018
(Distribute to Parents of all Students Needing Transportation)

Dear Parent,

According to Pennsylvania Law, nonpublic school children are entitled to transportation to nonpublic schools as follows:

1. A district provides transportation for resident public school must also make identical provisions for the transportation of resident nonpublic school students.
2. Transportation for nonpublic school students must be provided to and from the nonpublic school in which student is enrolled, even if the nonpublic school is located outside the district so as long as the distance is not more than 10 miles beyond the district boundaries. (Note: this distance may be in excess of 10 miles from student's home)
3. A district may transport children who live along hazardous routes even though the children live within walking distance of the school.

If you think you are eligible for transportation and desire it for the next term, please complete the request form below and return it to school immediately.
