

# RETURN TO SCHOOL PLAN

## Overview of Health and Safety Guidelines

Trinity Academy looks forward to welcoming students back to school for face-to-face instruction beginning **August 31<sup>st</sup>**. We are committed to the guidelines below for a safe and healthy return of our students.

There will be daily cleaning and sanitizing and ventilating as required by the CDC and OSHA guidelines. Teachers and staff will assist in the sanitizing of bathrooms after class use. Classrooms will be sanitized during the lunch period and at the end of the day.

### HEALTH SCREENINGS

Parents will be advised to daily self monitor their child/ren before coming to school. Temperatures screening will be required upon entrance to school for students, teachers and staff.

### PERSONAL HYGIENE ROUTINES

All staff will be trained on healthy hygiene practices so they can teach these to the students. This will include the 20 second rule using soap and water, especially after using the lavatories, before eating, and blowing their nose, coughing or sneezing.

### SOCIAL DISTANCE & MASKS

Students in each classroom will be spaced out within the six-foot guideline. Each student will maintain all their supplies, books and materials in their desk(s). No, sharing of supplies. Masks will be worn in the classrooms.

### SCHOOL VISITORS

Nonessential visitors, volunteers, and activities will be limited. Visitors will use the new reception window for school business. If visitors have to enter the school itself, they will be required to have a temperature check and complete health survey.

### ARRIVAL & DISMISSAL

Arrival is naturally staggered; temperatures will be taken on arrival. Students will go directly to their classrooms. At Dismissal students will be dismissed by floors, maintaining the proper social distance. Staff will monitor the stairwells.

### SCHOOL WORK

Instruction will be face to face or virtual for those who have chosen it. Chrome book or ipad will be available for home use for virtual learners. Classroom instruction will be sent home. Assignments will be completed through the assigned learning management system.

### LUNCH

Lunch will be served in the cafeteria.

Students will

- sanitize their hands
- sit two at a table
- only on one side of the table, facing the same direction,
- Tables will be sanitized after each lunch.

### Questions?

Please contact Sister Margaret if you have any concerns.
